ABOUT US

Established in 2008, SRI VENKADESWARA PACKS is a known manufacturer of high-quality corrugated boxes. Initially, starting with a modest capacity of 60 tons per month in 2008, the company significantly expanded its production capacity. As of 2023, SVP boasts an impressive monthly capacity of 800 tons, a testament to its continuous growth and commitment to meeting customer demands. SVP is equipped with advanced facilities like an automatic board-making plant, printer, automatic folder gluer machine, stitching machine, a fleet of own vehicles, and adequate storage facilities, enabling the production of carton boxes in a wide range of sizes to meet customer requirements. SVP, an ISO-certified company, takes pride in being the leading box supplier to various breweries, distilleries, food industries, textiles and foundries across the country.
